

Color Coded Terminal Blocks UK 5 N

- ◆ Available color selection to meet NFPA wire color criteria.
- ◆ Nickel plated copper metal body prevents corrosion in harsh environments.
- ◆ Large wire range capacity for both factory and field wiring.
- ◆ Blocks can be center bridged with push in style jumpers or standard screw type.
- ◆ Accepts all accessories for ease of system wiring.

Technical Data - UK 5 N

Rated Voltage

UL	600 V
CSA	600 V

Rated Current

UL	30 A
CSA	40 A

Wire Range

UL (Field)	#30-#10 AWG
UL (Factory)	#30-#10 AWG
CSA	#28-#10 AWG

Terminal Width

6.2 mm

Ordering Information

Type	Order No.	Color
