Multilayer Ceramic Capacitors

PRODUCT CODE GENERATOR, SURFACE MOUNT CAPACITORS 16V - 6kV

Please use the Product Code Generator below to create a part number from within our current standard range.

If the generator does not permit the specific combination of parameters you require, please contact our Sales Office to discuss any particular requirements or special applications.

PRODUCT DETAILS

Product Code:	1812J6300104KXT
Case Size:	1812
Reel Quantity:	1000
Voltage:	630V
Capacitance:	100nF
Tolerance:	+/- 10%
Dielectric:	X7R
Termination:	100% matte Sn finish
RoHS:	Compliant
<input type="button" value="Request Sample"/> <input type="button" value="Request Quote"/>	

See the PRODUCT INFO panel on the right for more details:
